

# Sassy Stitches

## Programs and Workshops Policies

### **CANCELLATION POLICY:**

Full refund will be made by the Treasurer for cancellation by a student if cancellation is made up to ninety (90) days prior to the first day of the workshop or program.

Full refund will be made by the Treasurer for cancellation by a student if cancellation is made up to sixty (60) days prior to the first day of the workshop or program **and** if the student who has cancelled found their own replacement for the workshop or program.

### **TEACHING FEES:**

Teaching fees are based on the teacher's actual expenses (airfare, hotel, meals and expenses). In some cases Sassy Stitches will have all this information prior to the class. If not, you will be notified during the class of the balance you owe for the class. The estimated teaching fees that are shown are based on 10 students participating in a class. The teaching fees will be adjusted up or down as needed. **The "FINAL PAYMENT DUE" does not mean there will not be any other fees due at class time. Again, the teaching fee listed is purely estimation; it could be high or low. If it is high we will issue refunds; if we are low we will announce the amount still required due at class time.**

### **GHOSTS:**

Ghosts pay the same as if attending in person. They also pay additional charge for shipping. The term "Ghosts," as used in the workshop description means members who pay class fees in order to receive instructional materials but who are unable to attend the workshop in person. Some instructors do not allow Ghosts, which will be noted on our schedule. Per ANG rules you must be a Sassy Stitches Member to be a Ghost.
